Doar Will:

STAT

I am most appreciative of your letter of November 20th about my Austrian friends, Messrs.

What you have done is most generous. I had not sent them to you with the idea of asking you to contribute but rather as someone in Houston who could give them wise and friendly counsel. However, I feel sure that your contribution will be put to effective use.

Sincerely,

Hon. W. L. Clayton & Co. Anderson, Clayton & Co. P. O. Box 2538 Houston 1, Texas
